To Whom It May Concern,

Please allow K-Love Broadcasting to keep their license to broadcast their GREAT music. K-Love Broadcasting has made and continues to make a direct impact on my wellbeing as a taxpaying resident of Kennewick, Washington.

I believe the impact that K-Love has on this community as a whole is similar to the impact it has been on me. If K-Love were to be displaced by a LPFM Station, it would harm the moral fabric of this community. K-Love is the light in a dark tunnel of station choices that are currently available in the Kennewick area.

Keeping K-Love on the air in this community is a must and is considered by me to be in the best interest of this community and other communities around us that can tune in to K-Love.

Please allow K-Love to continue broadcasting it's clean, uplifting music to us here in Kennewick, Washington

Regards,

Martin Wirta
